

The Timbers Homeowners Association

Architectural Control Committee

Guide on Approved Fence Colors, Height and Styles.

Hello!

The Board of Directors comprises of the Architectural Control Committee (ACC) and they have voted on the following colors, styles, height and material for each Phase regarding fences. Please be advised that even though these are the styles approved by the ACC, as an owner, you are still required to submit an Architectural Review Request through your portal using Appfolio for review and approval. If you have any questions, please call our On-Call at 850-544-2793

Phase I

- Wood Fences Only
- Color must be natural wood or same color as body of house
